ACCURATUS 201
PS/2 Black Slim Keyboard

Model Number: KYBAC201-PS2BLKHY

About

The 201 from Accuratus is a full size 105 keyboard but with some of the 'fat' removed.

The 201 benefits from having heavy weights distributed throughout the board, this additional weight gives the 201 a solid feel whilst providing positive key feedback.

Using 'edge to edge' keys the 201 is ideal where a full size keyboard is required but where space is limited. As with all Accuratus keyboards it uses ultra reliable membrane technology.

Specification:
